Jane Dyson, Executive Director
BC Coalition of People with Disabilities
#204 - 456 West Broadway
Vancouver, BC V5Y 1R3

Dear Ms. Dyson:

Thank you for your letter, on behalf of the BC Community Living Action Group (BC-CLAG), regarding Community Living services in British Columbia. I appreciate the time you have taken to provide me with an update on the work being done by BC-CLAG and its partners and to express your related concerns. I want you to know that I do understand how important this issue is for people with developmental disabilities and their families.

I have asked my colleague the Honourable Harry Bloy, Minister of Social Development, to be in touch with you directly for a discussion around matters of mutual interest. The Minister and his staff are working hard to provide the appropriate supports and services for developmentally disabled individuals across the province.

Thank you for bringing your concerns to my attention. Minister Bloy's office will contact you at the earliest opportunity.

Sincerely,

Christy Clark
Premier

pc: Honourable Harry Bloy
