Dear Madam/Sir:

Re: Request for records (*Freedom of Information and Protection of Privacy Act*)

This is a request for records in the custody or under the control of Community Living BC ("CLBC"), pursuant to the *Freedom of Information and Protection of Privacy Act*. Please send me the following records:

- Records indicating CLBC's short term and long term plans and projections in relation to "service redesign," including, but not limited to, records indicating or speculating in relation to:
 - the number of group homes closed during fiscal 2010/11;
 - the number of group homes forecasted to close during fiscal 2011/12;
 - the number of group homes forecasted to close between April 2011 and March 2016; and
 - the estimated impact these group home closures will have on service levels and capacity in the community living sector.

As soon as any significant part of this request is completed, please send that part of the information and records to me. Please continue to send me any additional significant parts of this request as they are completed, until the entire request has been satisfied.

Please inform me if any of the requested records are available through routine release, or may be viewed in a local reading room.

If any of the requested records are in a readable electronic format, please send them by disc or email, rather than in paper format.

I do not foresee the need for any unreasonable fees, deletions or delays in your response to this request. Please contact me by phone or email if you wish to negotiate the scope or content of this request.
