  - the number of individual support plans that included requests for CLBC-funded services in 2010/11;
  - the number of those plans under which the requested funding has been fully allocated;
  - the number of those plans under which the amount of funding allocated was less than the amount of funding requested; and
  - the number of those plans under which the requested funding has been denied, and the reason for each denial.
- Records showing the number of individual support plans that included requests for CLBC-funded services in 2005/06, 2006/07, 2007/08, 2008/09, and 2009/10.

As soon as any significant part of this request is completed, please send that part of the information and records to me. Please continue to send me any additional significant parts of this request as they are completed, until the entire request has been satisfied.
