Dear Ms. Hudson:

Re: Request for records (*Freedom of Information and Protection of Privacy Act*)

I understand that you are responsible for receiving requests for records in the custody or under the control of Community Living British Columbia ("CLBC"), made pursuant to the *Freedom of Information and Protection of Privacy Act* (the "FOIPPA"). Please notify me if this is not the case and immediately forward this request to the appropriate staff person in your organization.

This is a request for records pursuant to the *FOIPPA*. Please send me the following records.

- Records showing:
 - ♦ the number of Emergency Requests for CLBC-funded supports for individuals and families in 2010 and 2011;
 - ♦ the dates when these Emergency Requests were made;
 - ♦ the status of these Emergency Requests (i.e. whether the requested funded supports have or have not been provided); and
 - ♦ with respect to the Emergency Requests that have been satisfied (i.e. the requested funded supports have been provided), the dates when these emergency requests were satisfied.
- Records showing the number of individuals and families who have outstanding requests for funded supports and are currently waiting for funding on CLBC's Service Request Registry.

- Records showing the number of individuals and families who made requests for CLBC-funded supports (excluding under the Personal Supports Initiative) for the years 2010 and/or 2011.
- Records showing the number of individuals and families eligible for CLBC-funded supports (excluding under the Personal Supports Initiative) who received new funding for the years 2010 and/or 2011 (excluding funding for children in care transitioning from the Ministry of Children and Family Development).
- Records showing the number of individuals and families who received funding for 2010 and/or 2011 for non-emergency situations (i.e. situations not meeting the criteria for raising health and safety concerns).

As soon as any significant part of this request is completed, please send that part of the information and records to me. Please continue to send me any additional significant parts of this request as they are completed, until the entire request has been satisfied.

Please inform me if any of the requested records are available through routine release, or may be viewed in a local reading room.

If any of the requested records are in a readable electronic format, please send them by disc or email, rather than in paper format.

I do not foresee the need for any unreasonable fees, deletions or delays in your response to this request. Please contact me by phone or email if you wish to negotiate the scope or content of this request.

I can be reached by phone at (604) 291-9611 and by email at jonathan.chapnick@bcgeu.ca.

I look forward to receiving your response within 30 days.

Yours truly,

Jonathan Chapnick
