Dear Ms. Grant:

Re: Complaint regarding response to July 14, 2011 FOI request for records

I write at the suggestion of the Office of the Information and Privacy Commissioner (OIPC) in relation to the above-noted matter.

On July 14, 2011 I submitted a Freedom of Information request for CLBC records. On July 27, 2011, I received a response to my request. On August 4, 2011, I submitted a complaint to OIPC, asking for a review of the July 27 decision in respect of my July 14 request. Please see the enclosed documents for further details.

By letter dated August 23, 2011, OIPC suggested that I contact CLBC regarding my complaint. Accordingly, I am now contacting you. Please review the concerns outlined in my August 4 letter and provide a response to these concerns in a timely manner.

Please feel free to contact me with any questions or for further information.

Thank you for your consideration. I look forward to hearing from you soon.

Yours truly,

Jonathan Chapnick
Staff Representative – BCGEU
