The Hon. Stephanie Cadieux
Minister of Social Development
PO Box 9058, Stn Prov Govt
Victoria, BC V8W 9E1

Dear Minister Cadieux

At a regular meeting on October 24th, 2011, Council for the City of Port Alberni received a letter from BC Community Living Action Group (BC-CLAG) providing information highlighting the recent cuts to housing and program supports funded by Community Living BC (CLBC) for adults with developmental disabilities. Council also received a copy of the Resolution passed by Vancouver City Council to help address the housing crisis.

Council for the City of Port Alberni expressed its concern for adults with developmental disabilities and their families that have been impacted by these service cuts in municipalities across BC, including our own, and passed the following resolution:

That Council for the City of Port Alberni endorse the resolution put forward by Vancouver City Council and urge the Provincial Government to end funding cuts, implement a moratorium on the closure of group homes and provide sufficient financial resources both to maintain this vital housing resource and address growing wait lists.

Yours truly
CITY OF PORT ALBERNI
