Re: Housing for Adults with Developmental Disabilities

Please be advised that the attached information from the BC Community Living Action Group (BC-CLAG) dated October 13, 2011 was reviewed by City Council and the following resolution was adopted at the November 21, 2011 Council meeting:

That Council urge the Provincial Government to end funding cuts, implement a moratorium on the closure of group homes and provide sufficient financial resources both to maintain this vital housing resource and address growing waitlists;

And That this motion be circulated to the AVICC and the UBCM for consideration at a future conference.”

Your consideration of this resolution for the 2012 Conference would be greatly appreciated.

Sincerely
